Concentration in Arts Management

The Concentration in Arts Management is a collaboration between the department of Art History, Music, and Theater and Dance in Emory College and the Goizueta Business School BBA Program. Participation is limited to BBA students and students who are Art History, Music, Theater, or Dance majors.

The Arts Management Concentration enhances perspectives and competencies by providing context outside the discipline and integrating theory with practice. The concentration provides knowledge, competencies and experiences for BA and BBA students interested in pursuing administrative and management careers in the performing arts. BBA students focus on the history, politics and practice of the arts field of their choice within Emory College. Arts students acquire grounding that enables them to understand the organizational and market mechanisms underlying the creation and dissemination of the arts. All students pursue business-related and arts focused electives and participate in a capstone course that provides the opportunity to synthesize and validate their evolving perspectives in both an academic and an applied environment.
