5. Individual Student Opportunities in the Arts

In this section, you will find information directed more toward individuals looking for personal growth and opportunities in the Arts. For those of you looking for scholarships and award information, you will find them here, as well as internship and job resource information. Contact Emma Yarbrough if you would like more information about the various offerings in this section.

e. Internship & Volunteer Opportunities

*Internships.* The Atlanta Symphony Orchestra, Alliance Theater, High Museum of Art, Georgia Shakespeare, and many other venues around Atlanta offer paid and unpaid internships to college students and recent graduates. For more information, go to [www.atlantaperforms.com](http://www.atlantaperforms.com) or [www.artsopportunities.org](http://www.artsopportunities.org).

*Volunteer Opportunities.* Many volunteer opportunities also exist in the arts in Atlanta and at Emory. Almost every group, be they professional, student or faculty-directed, needs ushers, set builders, or general help. Contact the organization you are interested in volunteering for, and they will almost certainly put you to work! As far as social volunteering, visit [www.handsonatlanta.org](http://www.handsonatlanta.org) for information on how you can get involved in organizations that need music, theater, dance, or writing instructors and volunteers. For on-campus opportunities visit [http://www.volunteer.emory.edu/](http://www.volunteer.emory.edu/).

*Online Databases.* Talk to your department chair or secretary about any online databases that are available to you as a student. Many departments, such as Theater Studies, have memberships to online programs that are created specifically to help people like you find jobs or internships in the arts.

*Off Campus Venues*  
Atlanta and Decatur offer a great deal of artistic venues for you to visit and potentially work for. Go to [www.atlantaperforms.com](http://www.atlantaperforms.com) for more information on performing arts venues and [http://acme-us.com/detail/atlanta/arts/galleries.html](http://acme-us.com/detail/atlanta/arts/galleries.html) for information on galleries around town.
The Emory Career Center

The Emory Career Center has many resources available to students looking for internships. There are counselors that can meet with you one on one, as well as links to databases and other information.

Emory Career Center - Main Site

Eagle Opps - Job/Internship posting board. Only available to Emory students.

University Career Action Network (UCAN) - Job/Internship posting board. Available to anyone in the country.
